Buchanan Realty Group Announces Groundbreaking for Starbucks in Union City, TN

Union City, TN – November 6, 2024 – Buchanan Realty Group (BRG) is proud to announce the groundbreaking of a new Starbucks location in Union City, Tennessee. Strategically situated across from Walmart and in close proximity to popular retailers TJ Maxx and Five Below, this highly anticipated project will enhance the shopping and dining experience in the area. The Starbucks is slated for completion in 2025.

This new development represents a significant milestone for Union City, bringing the globally recognized coffee brand to a convenient and bustling location. The store will feature a contemporary design, complete with a drive-thru and indoor seating, ensuring that customers have a comfortable and efficient way to enjoy their favorite Starbucks beverages and treats.

“We are excited to bring Starbucks to Union City, further enriching the retail landscape of this vibrant community,” said Buchanan Realty Group. “This project highlights our dedication to creating high-quality commercial developments that serve both businesses and the local community.”

The Union City Starbucks will not only provide a welcoming space for residents and visitors to gather but will also contribute to the local economy by creating new job opportunities. Its location near other prominent retailers is expected to attract additional foot traffic and enhance the overall appeal of the area.

BRG’s Development Team has been instrumental in expanding retail and commercial spaces across Tennessee, from Nashville to Memphis, and this project underscores their dedication to fostering business-friendly environments across the region.
